Press Releases

Building on the incredible achievements of President Donald J. Trump's first term in office, the President's re-election campaign today released a set of core priorities for a second term under the banner of "Fighting for You!" President Trump's boundless optimism and certainty in America's greatness is reflected in his second-term goals and stands in stark contrast to the gloomy vision of America projected by Joe Biden and Democrats.

President Trump will further illuminate these plans during his acceptance speech Thursday at the Republican National Convention. Over the coming weeks, the President will be sharing additional details about his plans through policy-focused speeches on the campaign trail.
